Call to Prayer

Ask • Seek • Knock • Matthew 7:7

Persecuted Church: Qatar - Converting to Christianity means losing everything, and the small number of Qatari believers must gather covertly for teaching or worship. Although sharing the gospel with Muslims is strictly forbidden, some Christians still take great risks to evangelize Qatari citizens. Christians who are not citizens must worship in a government-controlled compound that is closed to Qatari citizens. About 65 percent of the country's population is composed of foreign workers including many who are Christians. Foreign Christians in Qatar have been deported for evangelistic activities among native Qataris.

- Praise God for Qatari Christians who faithfully share the gospel with Muslim neighbors.
- Qataris who own and distribute Bibles are at great risk. Pray for their protection.
- Pray that Christians in the large expatriate community will faithfully share the gospel with their Qatari neighbors.
- Becoming a Christian in Qatar is costly. Pray that new believers who suffer loss will find joy in the Lord.
- Pray that Qatari Christians will find fellowship and opportunities to worship regularly.
