Persecuted Church: United Arab Emirates - There are few known Christians among Emirati Arabs. But many foreign-national workers, who compose a significant segment of the country's population, are Christians. Foreigners are allowed personal religious freedom but not the freedom to share their faith with Muslims. Similarly, churches cannot share the gospel with Muslims or do anything that the government views as undermining its power and control. Although it can be difficult to form close relationships with Emirati families, Christian workers faithfully reach out to them and the many migrants from restricted nations living in the UAE, including Pakistanis, Persians and Afghans.

- Pray for the few Emiratis known to have left Islam to follow Christ.
- Pray that Christian converts will show God's love to their persecutors.
- Pray that Christian media will effectively proclaim the gospel to Emirati Muslims.
- Pray for Christian workers as they reach out to Emiratis with the gospel.
- Pray that churches will find creative ways to reach Muslims with the gospel.
